Catherine Gilbert, Registrar
Ontario Labour Relations Board
505 University Avenue, 2nd Floor
Toronto, ON M5G 2P1

Dear Ms. Gilbert:

**Re: Crane Rental Association of Ontario v International Union of Operating Engineers,
Local 793 - Accreditation Application
OLRB File No. 2973-24-R**

We write on behalf of the Crane Rental Association of Ontario (the “CRAO”) in respect of the above-noted matter.

Given the recent withdrawal of a significant number of intervenors and the limited scope of the remaining interventions, the CRAO respectfully requests that the Board convert the currently unscheduled mediation to a Case Management Hearing (CMH).

We understand that December 12 and December 18 have recently been canvassed as potential dates. The CRAO proposes that the CMH be scheduled on one of these dates, subject to the Board’s availability.

We further note that the International Union of Operating Engineers, Local 793, supports this request. We canvassed the remaining two intervenors’ counsel, respectively on August 26. Neither has responded.

We appreciate the Board's consideration and look forward to its direction.

Yours very truly,

STRINGER LLP

Jeremy D. Schwartz
